

21

Two students meet after class in the lecture room.
They have a casual discussion.

Meet on Campus

Peter and Kira meet on campus.

1

Peter Hi. My name is Peter.
Who are you?

Kira Hi Peter. I'm Kira.
Do you study here too?

They tell each other what they study.

2

Peter Yes, I study Information Science, and you?

Kira I study Clothing Technology.

And of course they want to know where the other
person is from.

3

Peter Where are you from?

Kira I'm from Stuttgart, and you?

When Peter reveals that he is from Aulendorf, Heidi
teases him.

4

Peter I'm from Aulendorf. That is....

Kira I know, I know!
A little one horse town somewhere in the
south.

Peter sulks and Kira laughs.

5

Peter Come on, it is not as small as that!

Kira Don't be grumpy!
I was just joking!

6

Peter *Laughs*
I'm not grumpy, definitely not when a nice
girl like you is around.

Kira *She grins.*
Coming up with compliments now!
By the way, I'm looking for a place to stay.
Can you recommend something?

They have a casual discussion.

Meet on Campus

7

Peter Not really. What about a hotel?

Kira Too expensive!
You should know better!
I'm a student and I'm going to stay here for quite some time.

8

Peter Sorry! Stupid of me to propose a hotel.
Have you checked the papers, or the internet?
They usually advertise rooms there.

Kira *Sigh.*
I did! And the university residences are full!

9

Peter What about an estate agent?

Kira Great idea. Thanks.
See you later.

10

Peter Wait. Not so fast.
What about us having a cup of coffee together in the cafeteria?

Kira Thank you, but I have to find a place to stay first.
Bye.
